

AMRI HOSPITALS DHAKURIA RESUMES INDOOR PATIENT SERVICES

- IPD becomes operational at the Main Building and the adjacent Annexe II unit
- Offers a total number of 202 beds including 60 Critical Care Beds
- Employs over 1000 human resources for hospital operations

Kolkata, July 5, 2014: AMRI Hospitals Ltd, one of the largest and fastest growing hospitals chain in Eastern India resumed its IPD facility at its AMRI Dhakuria – Main Unit, today. The Out-Patient Department (OPD) had earlier commenced operation from 30th December, 2013 at both Main Building and Annexe II. The Main Building of AMRI - Dhakuria has now become fully operational after obtaining all statutory clearances including fire & clinical establishment licences as well as trade & environmental licences.

Speaking on the occasion, **Mr. Rupak Barua, CEO, AMRI Hospitals Ltd**, said that, “We are happy to inform that AMRI Dhakuria is set to resume admitting patients to its two renovated indoor units. The hospital has attained all statutory clearances to resume operations. Currently, we will offer an indoor facility of total 202 beds. We would like to extend our sincere gratitude to the State Government and all other stakeholders for their continued support and guidance which helped us to re-open the Dhakuria Unit. ”

The renovated AMRI Hospitals Dhakuria would admit patients to the **cardiology, orthopaedic, urology, nephrology, neurology, gastroenterology, nuclear medicine and few other departments**. Some of the hi-end diagnostic services to be offered will include **MRI, CT scan (SPEC CT, CT and PET CT), Ultrasonography, Endoscopy and ERCP and so on**. Critical medical care through facilities like superior quality **Cardiac Cath Lab, Dialysis Unit** will be made available to the patients. The hospital will have a 10 bedded 24X7 Emergency section offering services even on Sundays. **(Emergency Helpline Number - 066-66060000)**.

AMRI Dhakuria Unit will be offering services of eminent doctors like **Dr. P.K. Hazra** and **Dr. Manotosh Panja** in Cardiology, **Dr. R.K. Dutta Roy** and **Dr. Abhijit Bhattacharya** in Medicine, **Dr. R.N. Bhattacharya** in Neurosurgery, **Dr. Kanchan Bhattacharya** in Orthopaedic Surgery, **Dr. A.P. Majumder** and **Dr. Kalyan Bhattacharya** in Oncology, **Dr. S.K. Todi** in Critical Care, **Dr. Kalyan Sarkar** in Urology, **Dr. D.J. Bhowmik** in General Surgery and many more.

Speaking on this occasion, eminent cardiologist **Dr. P.K. Hazra** said, “AMRI Dhakuria Unit has been one of the most popular hospitals in the southern part of this city. I am sure that with the resumption of its services, patients would be highly benefitted. We look forward to serve the community with the best of healthcare services and medical care.”

As per **Dr. S.K. Todi**, a well known name in the field of critical care, “Patients, especially those located in the southern and extended southern parts of the city have been suffering for long due to the closure of a superior healthcare facility like AMRI Dhakuria. With the reopening of the OPD followed by the IPD facility, they will again feel assured of getting quality treatment within their reach.”

The new and renovated hospital is equipped with the latest fire safety measures and meets the standard norms of the National Building Code.

About AMRI Hospitals Ltd

AMRI Hospitals, a multi-speciality healthcare facility in Eastern India with specialization in Oncology, Neuro Sciences, Cardiac Sciences, Orthopaedics, Emergency & Trauma care, Gynecology & Childcare is the largest player in private sector with its existing strength of 600 beds.
